MEMORANDUM FOR: The Director

FROM

[Redacted]

SUBJECT : Actions Re: Cuba (U)

M
7 Sept 1979

1. I have tried to keep a careful record of the actions that you said you might consider taking to improve intelligence collection and analysis in the wake of the Cuban Brigade episode, as well as others that have been suggested. Some may be relevant to our meeting tomorrow with NFAC and then Admiral Inman, you might also want to discuss them at a staff meeting next week. (S)

2. Actions you promised Senate Foreign Relations Committee:

--To provide a periodic update of intelligence on the Brigade. OLC considers that this handled via the NID. Do you want them to receive a copy of the Synopsis prepared for the President? (S) Yes ✓ No

--To leave no stone unturned in examining the possibility that Soviet combat forces could be present in other countries (e.g., Ethiopia). Arnold has such an effort underway now. (S)

*Do you want
to pursue
now?*

3. Actions you indicated an interest in pursuing:

--Issuance of a DCID providing for the rapid arbitration (by D/CT/?) of controversies between, for example, NSA and NFAC over demands for access to raw data. (S)

Task D/CT to draft? *Not yet - trouble*

--Having NFAC explore ways in which it could get more of NSA's raw take. (S)

--Using satellites [Redacted] to collect more SIGINT. (S) *Yes*

--Change the "C" priority for Cuba in the NITs. (S)

Task DD/NFA? *Already done*
